

AMY at James Martin Middle School

Online Learning Schedule

Beginning Monday, May 4th, 2020

Mod	Start Time	End Time
1	10:00am	10:30am
2	10:30am	11:00am
3	11:00am	11:30am
4	11:30am	12:00pm
5	12:00pm	12:30pm
6	12:30pm	1:00pm
Office Hours	Will be held after Mod 6. Times vary by teacher - please check your teachers' Google Classrooms for their office hour information.	

- **Beginning Monday, May 4th - online work will count towards your final grade for the year. Here's what you need to know:**
 - Students will follow the online learning roster above, which is a shortened version of the roster they have followed all year. Mods 1 through 6 will be held daily. Each online learning mod will be 30 minutes in length. Mod 1 begins at 10am daily, and Mod 6 ends at 1pm daily. The mod you usually have lunch is a "break" for you!
 - During each online class mod, students can expect to engage in some of the following learning activities:

- Teacher posts a video clip for students to watch and respond to via comments/stream using guiding questions
- Students watch a lab experiment and take notes/create hypotheses
- Shared screen lesson - using PDF texts for reading via google meet
- Work posted on Google classroom and teacher available via google meet/email/phone/text to answer questions
- Teacher live teaching a lesson
- Assessment via Google form or other online assessment tool
- Assignments/activities posted for students
- Teachers will continue to have office hours for students outside of the 10am-1pm online learning schedule. Please check your Google Classrooms for specific teachers' office hours and Google Meet info.
- Attendance and participation will be monitored (Examples: Are you participating in Google Meets? Are you logging in to your Google Classrooms? Are you turning **completed** assignments in?)
- Work will be graded beginning on May 4th, and will count towards your final averages in all subjects.
